2/2 Twill Point Threading: Bird's Eye

M and W Threading: Herringbone

These great reference cards sit in a 3"x4" clear nametag holder that you affix to the side or front of your loom so you can reference them as you are weaving. More cards coming soon. This is available for download off the web site listed above. Extra holders are available from www.marcopromotionalproducts.com and card sheets from www.pcnametag.com.
